Dear Rick:

We, in the Construction Department of Frank's Nursery & Crafts, Inc., would like to take this opportunity to thank you for the fine quality of work that you and your company have afforded us.

We appreciate the fact that your work always is completed in a timely and professional manner. We appreciate also the cooperation you have given to both Frank's Nursery & Crafts, Inc. and the various general contractors you have worked with.

All too often, the amount of time and care given to make a project go smoothly, are taken for granted.

We hope we have the opportunity to work with you in the near future.

Sincerely,

William F. Chrysler
Project Manager
